SING-OUT BOSTON TO PRESENT ALL NEW "UP WITH PEOPLE!" AT TELSTAR MARCH 13

Sing-Out Boston will present an all-new "Up With People!" production at the Telstar Auditorium on Saturday, March 13, 8 p. m.

"Up with People!" is an explosion of sound through music, the sound of communication! Throughout the world "Up with People!" is spreading their belief that people are all that man has wanted them to be and more.

Through their music and choreography, Sing-Out Boston is trying to give to their audiences the idea that people can do anything if they try—not only in the physical or materialistic sense of the word but also on an emotional level. The idea is basically this: the feelings and reactions of one human being toward another is an important factor in the well-being of man's life. In order for people to live together on earth, there has got to be the realization that all people are human and would like to be treated as such. Well, Sing-Out through "Up with People!" is trying to "tell" others that this realization will only take place when people start to examine their own

All in all, Sing-Out Boston cannot go it alone. They need your help and the best help anyone can give is by just listening to them and talking to them after their performance. Won't you come?

BASKETBALL: CLASS D

by Kristan Larson (Western
Maine) and Phyllis Harmon
(Eastern Maine Corres.)

I finally got the final standings
in Eastern Maine D. It was Stevens,
Washington Academy, Ashland,
Sheed, Jonesport-Bells, East Grand,
Easton, and Lake in that order.
Tournaments have gotten under-
way in both divisions. The Eastern
Maine D. tourney ends tomorrow
night, whereas Western Maine just
finished the quarter stage.

Eastern Tourney Results: The Eastern
Maine D. tourneys were
scheduled for Feb. 22-24. In quarter-
final action it was like this. No. 1
Stevens downed No. 8 Lobec 69-69.
No. 2 Washington Academy rolled over
No. 7 Easton 68-63. No. 3 Ash-
land squeaked past No. 6 East Grand
59-55. And No. 5 Jonesport-Bells up-
set No. 4 Sheed of Eastport 66-49.

In semifinal action it was the
same story. No. 2 Washington Acad-
emy slipped past No. 3 Ashland in
overtime, 61-53. No. 5 Jonesport-
Bells clobbered No. 1 Stevens 78-50.

The finals in Eastern Maine are
Feb. 24. All of these games were
played at the Bangor Auditorium.
So, No. 2 Washington Academy will
take on No. 5 Jonesport-Bells for
the Eastern Maine D. Championship.
I think this game should be very
exciting.

Western Tourney Results: The
Western Maine D. tourney is spread

another, as I have loved you."

LETTERS TO THE EDITOR

February 24, 1971

To the Editor:
In response to the letter written
by Ruth Tebbets published in the
Feb. 18th edition of the Bethel Cit-
izen, I am very disturbed at her re-
asoning of why we should not have
been friendly to the Special Forces
Troops that were training in the
Bethel Area.

I also talked with some of the
Special Forces men. Many of these
young men are only fulfilling mili-
tary obligations that all men have.
They do not see themselves, their
duty, or the general work of their
forces as evil as Miss Tebbets has
implied.

As for being friendly to these men,
what about our reputation for
being a friendly state? When my
brother, who is also in the service,
goes to a completely different place,
I hope that the people will treat
him as nicely as most of the people
in this area treated those men.

I do not agree with all the policies
of the army, but why should decent,
friendly people take it out on men
who have no connection with the
policies that are made by a few?
If these men make a second trip to
this area, I intend to be as friendly
and helpful to them as possible.

Sincerely,
Jeanne Merrill

Editor, Sir,
These extraordinary American
Women

We will appreciate it if you will be
good enough to open the columns
of your esteemed paper to the fol-
lowing:

I know an American woman who
at the age of 32 was widowed with
three children. She never remarried,
brought up her children, put them
all through school, and some of them
through college; the children were
fed, clothed and kept neat, as well as
the house.

When, in awe, I told a group of
friends about "these extraordinary
American women," one of the group
related an identical case with eleven
children!

"Was there ever a man, in any
part of the world, widowed at a
young age, with one baby, who
brought up that baby while retaining
his job, caring for the baby, the
house, himself?" I asked. "Never!"
was the answer in chorus!

When our forefathers, the Minutemen,
exhausted the soil on which their

nual inspection by D.D.G.M. Rich-
ard Denison of Oxford Lodge.

bers of Granite Chapter O. E. S.
will precede the meeting. All Mas-
ter Masons will be welcome.

NO "ANONYMOUS LETTERS"

Again we find that we must re-
iterate our position on anonymous
letters. Under NO circumstances will
we publish letters that bear no sig-
nature when they are received in
our office. In isolated instances we
will withhold names from publica-
tion.

flocks grazed, they marched on to
new pastures. The women burdened
with babies in their arms and small
children who could not keep up, were
left by the roadside. And it is to
them, history tells us, that we owe
the discovery of grains and edible
herbs. They had to find sustenance
for their children! And they did, and
they survived and we are their off-
spring!

God seems to have given to women
some powers denied to men, which
were neglected through centuries of
subservience.

Now they are emerging and the most
extraordinary, the most efficient
of the species—the American
woman—should be the leaders, but
unaccountably they are not! India,
the so-called backward country has
I think 75% of women in the govern-
ment, hundred thousands of them.
Russia has 75% of women doctors,
while America has 2%. Etcetera.

So we welcome the candidacy of
Mrs. Peggy Crosbie for election to
the S. A. D. 44 Board of Directors
from Bethel. "More than a
mother," she maintains rightly,
"knows more about the education-
al needs of her children!"

Let us hope all the women of
Bethel will turn out to vote for her.
(Next Monday in the Fire Station
between 10 a. m. - 6 p. m.) Also
for the women selectmen and assess-
ors!

Sincerely,
Bronislawa Y. Noyl

MEET THE CANDIDATE

John T. Grover

Candidate for Selectman-Assessor

Although John T. Grover was born
and brought up in Massachusetts,
he has spent a portion of almost ev-
ery year of his life here in the Bethel
area and has been a resident since
1907. He has been a substantial prop-
erty owner and taxpayer for over 15
years and expects to continue his
residence here for the rest of his
life.

Mr. Grover graduated from North-
eastern University with a degree in
Civil Engineering in 1942, then spent
four years of active duty in the Air
Corps and Corps of Engineers and
now holds a retired commission in
the Corps of Engineers Reserve in
the grade of Lieutenant Colonel. After
the war, Mr. Grover was employed
by the Southern New England Tele-
phone Company for 21 years; much
of that time in management. While
in the telephone company, he took
courses in "Effective Interviewing,"
Development Planning, Finance,
Talking before Groups, Building En-
gineering and Computer Application
—"Fortran." He also graduated from
the American Management Association's
Course in Management.

Mr. Grover is a past president
of the Connecticut Building Congress,
a past Director in the Connecticut
Society of Civil Engineers and a past
Vice President in the Connecticut
branch of the Society of American
Military Engineers.

He at the present time is President
of the Bethel Historical Society, Sec-
retary-Treasurer of the Bethel Lions'
Club and is a member of the Town
Budget Committee.

Mr. Grover is Dean of Students
at Gould Academy.

He is a candidate for election to the
Board of Directors (S. A. D. #44).
It is my civic duty and a privilege
to express my concerns and beliefs
to the people of Bethel.

When my first child entered the
school system, I, naturally, became
quite interested and active in the
schools. Having always loved school
myself, I am still very interested in
the field of education.

There are basically four reasons
for my running: (1) I am a woman
and I feel that there should be at the
very least one woman on the board,
simply for reasons of diversification.
Women have had different experi-
ences from men, and therefore, have
different points of view. Already,
many mothers have told me that
they could tell their problems to a
woman representative more easily.

(2) In recent years there have been
so many large issues involving Tel-
star that the elementary schools ap-
pear to have been somewhat neglect-
ed. These formative years are so
important and should be remember-
ed as such. (3) In working with the
P. T. F. and from speaking with par-
ents and other citizens, I find a
great lack of communication and
mutual understanding between the
school board, the administration and
faculty, parents, and other citizens.
I would like to try to bridge this
gap by acting as a liaison between
parents and school board by exchang-
ing ideas with the many people that
I see in town and by encouraging
others to call me. While most men
are working, I could also be visiting
the schools, gathering first hand in-
formation on problems which are
discussed at meetings, and seeking
out teachers opinions and ideas. (4)
My background in advanced mathe-
matics will more than enable me to
comprehend the complexities of the
district's finances.

If you share my concerns, please
vote for me on March first.

Respectfully yours,
Margaret A. Crosbie

To the Citizens of Bethel:

I am a candidate for one of the
two positions open for the school
board of directors of S. A. D. 44. My
major purposes in running are that
I'm extremely interested in the edu-
cation of your children and mine, of
which I have three in the system, and
I am very concerned about the ris-
ing cost of taxes within S. A. D. 44.

In the six years that I've lived in
Bethel I will stand on my record
as having proved through my ac-
tions and not just words that my
motives are sincere. I am a graduate
of Thomas College, and U. of M.,
Orono, with degrees in Business Ad-
ministration and Education.

I would appreciate your considera-
tion in voting for these two open
positions.

Sincerely,
Charles R. Hurd

A. A. OF R. P. CHAPTER

PROPOSED

Throughout the United States membership in the NRTA-AARP, otherwise known as National Retired Teachers Association and American Association of Retired Persons has grown rapidly, and this has led to the formation of Chapters in many communities.

It is thought that there are already many members in the Bethel area, and since the chapters in Bridgton, Norway and other communities are not convenient for participation, these members might like to consider the formation of a chapter locally.

If you are a member of this organization will you please notify Mrs. Elizabeth Mason Carter, West Bethel 630-2343.

NOTICE

There will be a meeting of the Mollycoddet Buying Club, Thursday, Feb. 25, at 7:30 p. m. at the home of Ernestine Delano in Bryant Pond.

IN MEMORIAM

In Loving Memory of

Terence R. Hathaway

who passed away Feb. 27, 1967

To some you may be forgotten,

To others part of the past.

To us who loved and lost you

Your memories will always last.

Times have changed in many ways,

But one thing changes never;

The memory of those loving days

when we were all together.

Gone are those days of yesteryear

when we were so happy.

Now we are sad and blue

Because there is no more you.

We wander to your resting place.

No more to see your handsome face.

No one knows the heart aches we share.

As we turn and leave you there.

Too precious too dearly loved to be forgotten,

Love to the end of time.

Lovingly your wife, Eunice,

and sons, Ray and Terry

Mrs. Olive Davis, Corres. — Rosanne Mason who is taking a nurses training course at A. W. C. in South Lancaster, Mass., was home over last week end. She will be graduated in May.

Craig Morgan spent his vacation from South Lancaster, Atlantic Union College, with his parents, last week.

Last week being vacation week for many schools, found a lot of skiers in town. The Mollycokett Motel was well patronized.

Mrs. Guyson Davis, daughter Mrs. Roger Tibbets and granddaughter, were in Livermore recently and attended a personal shower that was tendered Mrs. Davis' niece, Mrs. Donna Moreau.

Schools are having a week's vacation this week in the five-town area. They will open again March 1.

George Balcom has retired from the Navy recently and is taking charge of the Getty filling station above the Norway Savings Bank the first of March. Mr. Balcom lives on the Curtis Hill Road in South Woodstock. We wish him success in his new business.

Don't forget the Willing Workers meeting the 11th of March at Mrs. Lenwood Andrews' home. The word is Blessing. Caning chairs will be the program.

Town meeting is a week away. We hope the townspeople will make an effort to attend as this is where your property tax originates from. Consider carefully what is necessary and what is not when you vote. You are the ones who make a high tax or a lower one by your votes on raising money to carry on—not your Selectmen. Do your bit and pay your taxes to help support your town.

NEWRY

Miss Amy E. Hennessey, Cor. — The Selectmen have been notified that the town's share of the school budget for M. S. A. D. 44 for 1971 is \$35,409.41.

This figure is some \$1,290 less than the original budget proposed by the directors and approximately \$1,240 less than Newry's share of the 1970 budget.

The original M. S. A. D. budget for the towns of Andover, Bethel, Greenwood, Newry and Woodstock was cut some \$33,000 at the annual District Budget meeting held at Telstar Regional High School Feb. 16.

The town budget proposed by the Selectmen totals \$9,215.44 which is \$461 less than last year. It has been suggested that an additional \$333 for State Aid Construction be appropriated. This would be matched by the State 2 to 1, and be used together with the Town Road Improvement Fund to be expended on the Bond Road.

This would make a total budget of \$45,247.85 compared to \$46,467 for the fiscal year 1970.

Under the 1970 assessed valuation this would mean a reduction of two mills in the tax rate, which was .080 last year.

Mr. and Mrs. Anthony Pugliese, South Portland, called on Mr. and Mrs. George Learned, Saturday.

Walter Enman, Otisfield, called on friends in town one day last week.

Mr. and Mrs. Peter Baker and daughters, Hanover, were dinner guests, Sunday, of Mr. and Mrs. Roy Tripp.

Mr. and Mrs. Conrad Parent, Hartford, Conn., spent the long week end at their place in town.

Robert Bean returned home Sunday from the Rumford hospital where he spent two days.

Earl Lane is home after spending several weeks in Veterans Hospital, Togus.

Miss Sheri and John Learned are spending the week with relatives in Roxbury.

Mrs. Selma Chapman has returned home after spending some time with relatives in Milford, Conn.

that their home was cracked by the earthquake 30 miles away from them.

Today, Feb. 22 is the true George Washington's birthday instead of the one celebrated a week ago and is very cold and snowy as usual.

Mrs. Bertha West went to Milah, Saturday to work in the Carboneau restaurant Sunday. She will be back today as she enjoys living in her trailer very much and stays there most of the time.

Mrs. Helen Hart expects to go to Berlin Tuesday to an oculist to have her glasses changed as she is having a bad time with her eyes.

Both Wendy and Stephen Bennett, the children of Mr. and Mrs. Russell Bennett, have been ill for some time and their grandfather, Leon Bennett, has recently been in a hospital having a growth removed from his head. This family resides in Rumford, but were long-time residents of Wilson's Mills. The children have a virus.

Mrs. Charlotte Ronish of Schenectady, N. Y., and Mrs. Helen Cameron of Rangeley visited me Wednesday. Charlotte, who is a draftsman in an office in New York City, was on a few days vacation. She was a guest at Big Buck Camps for many years.

GREENWOOD CITY

Mrs. Collis Morgan, Corres. — A Week in New England

Sunday—and its raining cats and dogs

Monday — and we grope through thickening fogs

Tuesday—The sun shines—a beautiful day.

Wednesday—and clouds of threatening gray.

Thursday—It's cold, and how the winds blow.

Friday—We wallow around in new snow.

Saturday—We get them all mixed together.

It's just a week of New England weather.

The Storm King still sends in his armies to lash the hills and valleys and more snow comes to protect its land. Sleet storms may disrupt our planned system but between storms there are days of richness and depth. It maybe a day of sparkling brilliance or of soft gray hues when clouds veil off the sun.

In walking the winter forests one finds the quietness or music that broods over the countryside.

Across the pond and far into the forest I traveled. To me the winter silence is not frightening. It may mean the approaching of a storm but for a brief period there is quiet and peace.

The wind freshened on the winter landscape before my return. I could hear it in the tree tops gusty and sharp edged. The trees creaked as I stopped to listen. But here beneath them, all was calm.

The sun reached this woodland retreat and shone upon some of the huge granite boulders ahead; bits of Nature's masterpieces revealing the intricate patterns of their formation.

My eyes drifted to the foreground where one stood boldly by itself and I noted a young dwarfed spruce struggling to reach above it.

Far up the hill which I couldn't climb because of the slippery crust, I saw galleries of abstract forms made by the still cold hours, crystal needles rare and beautiful in crisp cross patterns, ribbons of lace and drooping ice formations.

Beneath this was a brittle kind of lichen, a dead stick, gray above greenish below while tiny seeds resembling planes and parachutes

made a fascinating carpet from my feet to its base.

Turning to continue I suddenly found myself getting a much closer view of these planes and parachutes for I was flat on my stomach. It always happens when I forget for a moment that I'm on snowshoes. I got up easily; thanks to the crust, without removing my "shoes."

I followed the edge of the ridge for some time before I turned back.

There was a swoop of wings as a large bird disturbed by my presence glided away. It was probably the owl that we hear so often in the swamp during the evenings or on a night when the skies are brilliantly clear. Its call is most thrilling and most fearful as it comes vibrating and awe-inspiring. It is soft yet

queerly penetrating. If it had been night with no sound other than the rustle of a light breeze through the tenuous oak leaves and the scattering of bright stars twinkling through the branches his voice would have questioned my right to be there; calling whoo-whoohoo.

He vanished and as I looked at my watch I knew that I must do the same.

"The journey of a thousand miles begins with a single step," Leo-tse. I walked toward the pond among the small sounds: fall of a cone, crackle of the under brush, snapping or sighing of a branch, rubbing of trees, rustle of the beech leaves and the sound of faulting on the pond.

"There's music in the sighing of a reed;

There's music in the gushing of a rill;

There's music in all things, if men had ears.

The earth is but the music of the spheres." — George Gordon.

SONGO POND

Mrs. Ralph Kimball, Corres. — Mr. and Mrs. David Stuart and family of Yarmouth are spending this vacation week at their camp here and enjoying skiing.

This community was saddened Sunday to learn of the death in Arizona of Mrs. Winnie Logan, a loving friend and kindly neighbor for several years who will be greatly missed by all who knew her—to know her was to love her. Sincere sympathy is extended to her family.

Neighbors and passersby were shocked Monday morning to see the Songo Pavilion collapsed under the weight of the heavy snow. For the first time since it was built, none of the snow had slid off probably due to the extremely cold weather during the whole month of January.

Mrs. Carl Meaux and children of Winslow spent the week end with her parents, Mr. and Mrs. Earlon Keniston.

Mrs. Donald James is out again after a severe bout with the flu bug. David Anderson spent a few days over the week end with his grandfather, Eino DeDonen in South Paris.

Roberta Anderson is staying nights this week with her aunt, Mrs. Maxine Libby in South Paris, and on a baby-sitting job days.

Robert Anderson is at home for awhile as work is slack at the shoe shop where he works in Norway.

Mr. and Mrs. Ralston Bennett of Lovell, Mr. and Mrs. Earlon Keniston, Mr. and Mrs. David Stuart of Yarmouth were callers Sunday at Ralph Kimball's.

She taught elementary school in Portland for several years and was married to Harold S. Day, Oct. 23, 1906. Mr. and Mrs. Day came to Bryant Pond from Lewiston in 1921. Mr. Day died Aug. 5, 1957. Please know that this kind of involvement has generated new goals and ambitions for our son, and it has resulted in significantly greater positive attitudes. I am sure the same must be true for many other boys.

It is only by your kind of contribution (and those of many others) that we can help youngsters prepare for the challenging role which they are expected to play in the confusing and sometimes disorienting world of tomorrow.

Please extend our gratitude to those people at Gould Academy who made the field house facilities available.

Again, thank you, Charlie for your spirited effort and willingness in providing the Bethel youngsters with as fine an opportunity.

LUCKILY, CHILDREN HEAL VERY QUICKLY

In an elderly person any broken bone can be a cause for alarm for it heals so very slowly. On the other hand, in the very young, broken bones heal so quickly and easily that there is often no need for a cast.

Perhaps the most common bone broken in a young child is the "Clavicle" or collar bone. If the break is not very bad a shoulder strap for 2-4 weeks is often sufficient. The child is usually unaware and unconcerned that he is wearing it. If it should start to rub a bit your physician can recommend an adjustment that will help. It is important to contact a physician quickly if there is any possibility of a broken bone.

Due to the increased number of prescriptions and in order to keep up good service, it would be to our mutual advantage, if you would please phone in refills prescriptions. — Thank you.

Your life was so unselfish, For others you did live, Not for what you would receive, But only for what you could give. No treasure on earth can replace you.

It's a sorrow too great to be told, But to us who loved you and lost you, Your memory will never grow old.
